

Houser Scholarship Application

The Houser Scholarship Fund is maintained as endowment, so that the funding is of perpetual benefit to the Presbytery of Upper Ohio Valley. **On a given calendar year, a total of approximately \$1400 is available to be distributed as scholarships for those who apply and qualify.** The first priority of the fund is to serve the Candidates under care of the Presbytery. As a second priority, the scholarship may also assist Teaching Elders working toward a DMin, if the Committee on Preparation determines that the funding can support that scholarship.

Distribution of funds are made only for the current term.

Submit a copy of the current class schedule with application.

An Inquirer under Care of the Presbytery may be considered by the Russell Scholarship maintained by the Training and Development Committee.
